

# Mail Magazines (Electronic Newsletters) vol.3

*February, 2013*

To all of the 16th Suzuki Method World Convention Participants

There are only 2 months left before the World Convention!!

In this 3rd issue of our "Mail Magazine" we will talk about ordering lunches, bus tickets, and how to get tickets for Symposium II.

## ● We are now taking lunch orders

It has been decided that everyone will be eating their lunch in the venue where they have their morning lesson. If you would like to order a lunch that will be delivered to your venue, you can order it now on the registration website. <https://v3.apollon.nta.co.jp/suzukimethod/>

If you go to the registration website, you will find on the sidebar to the left under "Options" the word "Lunch". Click "Lunch", and a list of lunches served for each day will appear. Find the DAY and the LUNCH you want to order and click the dot next to the VENUE where you will be eating your lunch. We will be accepting lunch orders until the end of February.

**Please note that we will not be selling any lunches at the venues.**

**The only lunches available will be those that are ordered by the end of February.**

## ● World Convention Shuttle Bus Tickets

If you have not yet purchased a World Convention Shuttle Bus ticket, you can order one on the registration website. During the World Convention this Shuttle Bus ticket will not only allow you to take our shuttle buses. **It will also allow you to take a few of the local Matsumoto buses in the area of our venues for free!** This will make getting around Matsumoto very convenient! We will be selling shuttle bus tickets until the end of February. We strongly suggest you consider purchasing one soon.

## ● Tickets for Symposium II on March 28 "Remembering Dr. Suzuki"

If you would like to attend Symposium II on March 28, you will need to get a ticket. Tickets to attend Symposium II are free. These tickets will be available at the Matsumoto Performing Arts Centre on March 27 from 11:00 AM until all of the tickets are gone. Each person will be able to get up to 2 tickets. We are very sorry, but if you do not have a ticket you will not be able to attend Symposium II. However, you will not need to get a ticket to attend Symposium I, III, and IV.

## ● Pictures used for our websites

Throughout the World Convention we will be taking pictures. These pictures will be used on our website, newspapers, magazines, etc. in order to share this event.

We would like your understanding that if you are a Suzuki Method World Convention participant your picture may be included.
